

YORK MILLS GARDENS COMMUNITY ASSOCIATION

Memberships help your Association help the Community we share together

The Association is involved in neighbourhood issues on your behalf.

We engage in a variety of important activities concerning matters such as: intensified developments in the area, local traffic challenges, the City's Committee of Adjustment, building and by-law problems affecting local properties, community safety concerns, and active liaison with neighbouring residents' associations regarding municipal issues here in Toronto's Ward 25.

We wish to communicate on a timely basis with our members and other residents, and to continue our efforts on your behalf by advising and assisting in matters requiring our City Councillor or involving the City's planning department, building inspectors, urban forestry, by-law enforcement, roads and other municipal services when issues and concerns arise.

As a non-profit voluntary organization, we rely on modest membership fees to strengthen the Association in order to represent the best interests of all residents in the York Mills Gardens neighbourhood. The more members join together, the stronger our community can be.

We invite you to support the Association. The annual fee is small and the benefits are potentially much greater. Please do not hesitate to contact us if you have questions or comments.
